DETAILED ACTION

Applicant's amendment filed on 05 October 2006 has been fully considered. Claims 1-13 and 15-19 are therefore allowed with the additional limitations included.

Examiner's Statement Of Reasons For Allowance

The following is an examiner's statement of reasons for allowance:

In regards to claims 1-12, although Applicant has not included all of the limitations of the objected to claim, the prior art of record still fails to teach or disclose a coupling unit including the feature of a cutout that passé through the base plate in combination with the other claimed limitations.

In regards to claims 13 and 15-19, previously objected claim 14 has been rewritten in independent form as currently amended claim 13 to include all of the limitations of the base claim and any intervening claims and is now in conditions for allowance. Claims 15-19 are dependant on amended claim 13 and are therefore also allowable.

Therefore, claims 1-13 and 15-19 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
